✚ ELK 101 (Elementary Korean 1: 3 credits)

- For a very beginner learner. You will learn *Hangeul* 한글, the writing system of Korean with 24 basic letters, and introductory level grammar & vocabulary, complemented with various cultural knowledge, that you can use in various real-life situations

✚ ELK 102 (Elementary Korean 2: 3 credits)

- Prerequisite: ELK 101 or equivalent (placement exam available)
- You will further develop your grammar & vocabulary in Korean language and culture to produce/comprehend more complex texts and speech. You will begin to learn and understand more nuanced Korean language.
