

## Spanish-English Translation Articulation with Brooklyn College

The Spanish-English Translation major (A.A.) is currently articulated with the following programs:

- Spanish (Concentration in Spanish-English/English-Spanish Translation and Interpretation) at **Hunter College** (<https://bit.ly/2Xgjjlt>)
- Spanish major at **Brooklyn College** (<https://bit.ly/2QiHtRq>)

This document presents an overview of the current articulation agreement with the Spanish major at **Brooklyn College**. For complete information, please refer to the original articulation agreement or contact the program directors (see the back of this document for the contact information).

## Transfer Procedures (CUNY Internal)

Ideally, students should consider graduating in the spring (i.e., June or August), but they can also graduate in the fall (i.e., December). If students graduate in the fall, they should complete all requirements in Fall Session 1 (since Fall Session 2 ends in late February and will affect transferability to school whose Spring semester begins in early/mid February).

The process of graduation request is fairly simple. Students just have to add the following course to the schedule via CUNYFirst in their last semester at LaGuardia.

- Intent to Graduate (GRDOOO / #40644)

All students who have filed Intent to Graduate will be audited by the Registrar's Office for graduation. The Registrar's Office will mail their audit letter to student's home address recorded in CUNYFirst (in regular mail) by the end of the semester.

The college-wide graduation requirements are following:

- **Grade Point Average:** A 2.00 GPA (C average) is required for graduation, as well as passing the required basic skills tests.

The Spanish-English Translation major students wishing to transfer to the Spanish major at Brooklyn College should also satisfy the following requirements in addition to the college-wide requirement:

- **Grades for Spanish courses:** Grade of C or better in all Spanish courses (i.e., ELS200, ELS204, ELS209, and ELS210)

As of Fall 2019, the deadlines for transfer applications to CUNY schools are as following (<http://www2.cuny.edu/admissions/undergraduate/prepare/transfer/>):

Fall Transfer	February 1
Spring Transfer	September 15

## Credit Transferability

Please see the table on the following page for the transferability of credits at LaGuardia. While each transfer case is unique and all transfer students should consult with the program directors and/or advisors about their transfer plan, the general requirements of the Spanish BA major for the transfer students from the Spanish-English Translation program are as following:
